

## Disability provision - a comparison of our 3 ground-floor rooms

In general terms all three ground-floor rooms have been adapted to be wheelchair-friendly but the chart below outlines the significant differences. We hope that this will help you to select the room(s) that cater for you and your specific requirements. To view very detailed information on the room(s) you select - including en-suite photos and measurements - please follow the link(s) below the table.

	Room 1	Room 2	Room 3
